Step 4: Subscription Airdrops

- Right before each minting phase begins, we will airdrop tokens to collectors who have subscribed for this mint and had sufficient balance in their subscription account at the cut-off time.
- The subscriptions eligible for an airdrop for this card are as follows
  - Phase 0 - 69
  - Phase 1 - 0
  - Phase 2 - 1
- If the card mints out before a specific phase, the airdrops will not be done and the subscriber balance will roll over to the next cards
- If there are more subscribers than cards at the beginning of a specific phase, the subscribers who sent their funds earliest will be airdropped first
- Subscribers that at the time of the snapshot have no TDH accunulated, will be airdropped in Phase 2
